

SEA★LiFE

Birmingham

A sensory guide

Welcome

We're going to look at, all of the
things that you can

See

Hear

Touch or Feel

Smell

When you visit SEA LIFE Birmingham

When I visit the SEA LIFE Centre, outside I might see

A big blue entrance

When I get inside the SEA LIFE Centre, I might see

Fishes swimming

A tunnel you can walk through

Lots of water and blue lights

A rockpool area

When I get inside the SEA LIFE Centre, I might hear

A team member talking

The sound of water

The sound of other children

Soft background music

When I get inside the SEA LIFE Centre, I might touch

Cold water in the touchpool

A starfish (if you want to)

Sea anemones

Glass displays

When I get inside the SEA LIFE Centre, I might smell

Salty water

The fish and animals

A seaside smell (shells)

Hand sanitiser
