- Beak
 Feathers
 Fish
 Swimming
 Waddle

Introduction

to becoming a Junior Penguin Keeper

ANSWERS

1. Somethings our penguin keepers do everyday are...

- Cleaning the exhibit
- Food preparation
- Hand feed penguins
- Pool feed penguins (throw food across the pool for swimming penguins)
- Cleaning behind the scenes
- Systems checks - checking all the pumps and equipment behind the scenes
- Enrichment for the penguins – these are things our keepers build to keep the penguins happy

2. (B) - Birds

3. Feathers, Beak, Swimming, Waddle, Fish
