

SEA LIFE Behaviour Agreement

SEA LIFE Sydney Aquarium is a place of learning, amazing discovery and fun! To make your visit productive and enjoyable please take the time to discuss the following with your students before your visit.

- Students must stay with parent helpers or teachers at all times – inside the aquarium, during lunch breaks and in the gift store.
- Your school group will be sharing the aquarium with other schools and visitors and we request that all visitors to the attraction are treated with courtesy and respect.
- SEA LIFE Sydney Aquarium is a place of learning. We request that students do not run, shout, climb on the exhibits or eat inside the aquarium building.
- Please use books or clipboards as writing surfaces and avoid leaning on walls, windows or exhibits to complete worksheets.
- All our visitors are required to be gentle if invited to touch any of our animals. It is important not to frighten them, remove them from the water, shout or tap on the glass of the exhibits.
- To keep our environment tidy and healthy please collect all rubbish when eating lunch outside and dispose of it properly.

We hope that you have an enjoyable excursion to SEA LIFE Sydney Aquarium.
