

SEA★LIFE

Weymouth

A sensory guide

Welcome

We're going to look at, all of the things that you can

See

Hear

Touch or Feel

Smell

When you visit SEA LIFE Weymouth

When I arrive at SEA LIFE Weymouth I should look out for this sign and follow the flags to the entrance

Follow the pathway, listen out for the music and head for the entrance

The orange penguin footprints will show us where to go...

We can take a map with us to find the way and there will be others around the park

When I get inside the SEA LIFE Centre, I will see

A SEA LIFE host who will tell us all that we need to know to start our adventure!

I might be asked to have a photo taken here

When I get inside the SEA LIFE Centre, I will see and hear

Some water fountains

A big play area

Sometimes it might get noisy

When I get inside the SEA LIFE Centre, I might touch

A starfish (if i want to)

When I get inside the SEA LIFE Centre, I might smell

Salty water

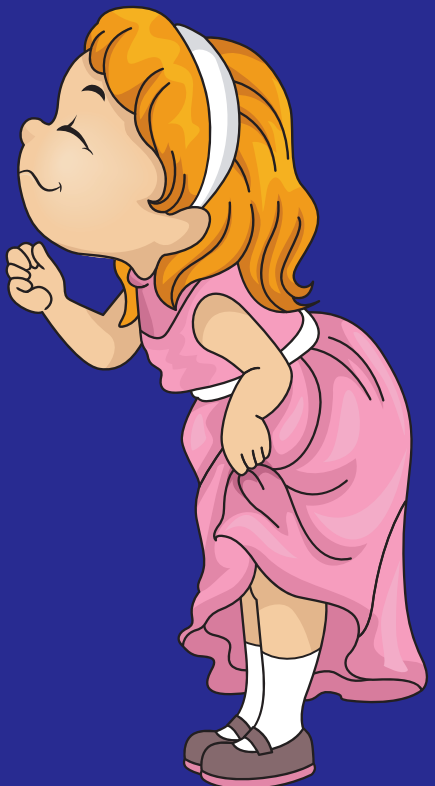

The fish and animals

A seaside smell (shells)

Hand sanitiser

Shhh... some areas of SEA LIFE are darker than others
because the creatures might be sleeping...

SEA★LIFE

Weymouth

We look forward to welcoming you to SEA LIFE Weymouth. If you have any more questions about access requirements, you can read our full policy on our website.
